

Mark REGO Athletic Scholarship

The REGO Athletic Scholarship Fund was established in 2018 to provide opportunities for student athletes in the Evergreen School District. This award is named in honor of Mark Rego, who dedicated his life to the youth of Clark County. He not only had a passion for teaching the love of football but more importantly how to be successful in life.

Two scholarships will be awarded. One to a graduating senior who plans to pursue further scholars in their post high school academia, and one to a current high school student who wants to better themselves by attending an athletic camp.
